

PFASStwin Agenda za radionicu: „PFAS u Srbiji: Trenutno stanje, naučni i regulatorni izazovi i budući koraci”

4. april 2025. godine

PKS - Privredna komora Beograda, Kneza Miloša 12, 6. sprat

10:00-10:10	Uvodno obraćanje – Vidosava Džagić, PKS – Privredna Komora Beograda
10:10-10:30	Kratak uvod u aktivnosti PFAStwin projekta - prof. dr Vladimir Beškoski, Univerzitet u Beogradu - Hemijski fakultet (UBFC), Srbija
10:30-10:50	Prezentacija PFAStwin naučne strategije – dr Juan Muñoz Aranz, Španski nacionalni istraživački savet, Institut za opštu organsku hemiju (IQOG-CSIC), Španija
10:50-11:10	Perspektive tretmana PFAS-a u svetlu iskustva BRGM-a i uz podršku najsavremenijih tehnologija - dr Fabienne Battaglia-Brunett, Biro za geološka i rudarska istraživanja (BRGM), Francuska
11:10-11:50	<i>Kafe pauza</i>
11:50-12:10	Regulacija perfluorovanih jedinjenja u Srbiji – Ivan Đuričković, Nacionalna kontakt tačka za Stokholmsku konvenciju u Srbiji; Ministarstvo zaštite životne sredine, Srbija
12:10-13:10	PFAS u industriji: Izazovi, regulativa i održiva rešenja (okrugli sto)
13:10-13:40	Diskusija i zaključci
13:40-14:00	Dodela sertifikata
14:00-15:00	<i>Koktel</i>

PFASStwin Agenda for the Workshop: "PFAS in Serbia: Current Status, Scientific and Regulatory Challenges, and Future Steps"

4th April 2025

PKS - Belgrade Chamber of Commerce, Kneza Miloša 12, 6th floor

10:00-10:10	Opening ceremony – Vidosava Džagić, CCIS – Belgrade Chamber of Commerce and Industry
10:10-10:30	A brief introduction to the activities of the PFAStwin project - prof. dr. Vladimir Beškoski, University of Belgrade, Faculty of Chemistry (UBFC), Serbia
10:30-10:50	PFAStwin Scientific Strategy Presentation - Dr. Juan Muñoz Aranz, Spanish National Research Council, Institute of General Organic Chemistry (IQOG-CSIC), Spain
10:50-11:10	PFAS treatment perspectives under the light of BRGM experience and with the support of state-of-the-art - dr Fabienne Battaglia-Brunett, Bureau de Recherches Géologiques et Minières (BRGM), France
11:10-11:50	<i>Coffee break</i>
11:50-12:10	Regulation of perfluorinated compounds in Serbia - Ivan Đuričković, National Contact Point for the Stockholm Convention in Serbia; Ministry of Environmental Protection, Serbia
12:10-13:10	PFAS in Industry: Challenges, Regulation and Sustainable Solutions (roundtable)
13:10-13:40	Discussion and conclusions
13:40-14:00	Certificates award
14:00-15:00	<i>Cocktail reception</i>
