Учешће на међународним конференцијама :

1. J. Timotijević, A. Dupé, **A. Kandić**, T. Petrović, J. A. Schachner, S. Nikolić, J. Poljarević, Synthesis and Catalytic Properties Evaluation of Rhenium(V) Picolinate Complexes, 7th European Inorganic Chemistry Conference, September 7 – 11, 2025, Belgrade, Serbia, Book of abstracts p. 95, ISBN 9-788672-201345.
2. **A. Kandić**, M. Dimitrijević, S. Nikolić, D. Miladinović, Lj. Mihajlović, J. Timotijević, T. Petrović, J. Poljarević, Synthesis and antimicrobial properties of palladium(II) complexes with aromatic Schiff base ligands, 7th European Inorganic Chemistry Conference, September 7 - 11 2025, Belgrade, Serbia, Book of abstracts p.96, ISBN 9-788672-201345.
3. **A. Kandić**, J. Timotijević, T. Petrović, S. Nikolić, Lj. Mihajlović, M.B. Živković, J. Poljarević, Oxorhenium(V)-picolinate complexes as catalysts for olefin epoxidation in cells, 3rd European Symposium on Phytochemicals in Medicine and Food, July 1 – 4, 2025, Belgrade, Serbia, Book of abstracts, p. 143. ISBN 978-86-7834-453-4.

Учешће на националним конференцијама :

1. T. A. Petrović, **A. Kandić**, J. Timotijević, S. Nikolić, Lj. Mihajlović, Pd(II) complexes with anthracenyl Schiff bases as promising antimicrobial candidates, 11th Conference of Young Chemists of Serbia, University of Kragujevac, Faculty of Science, October 25th, Serbia, Book of abstracts p.38, ISBN 978-86-7132-090-0.
2. J. Timotijević, **A. Kandić**, S. Blagojević, A. Vasilić, N. Mik, T. Petrović, New Ru-arene complexes with 1,2,4-triazole Schiff base: synthesis, characterization, and cytotoxic evaluation, 11th Conference of Young Chemists of Serbia, University of Kragujevac, Faculty of Science, October 25th, Serbia, Book of abstracts p. 47, ISBN 978-86-7132-090-0.
